SUMMARY

I am a dedicated and enthusiastic 3rd-year college student at Sri Krishna College of Engineering and Technology, specializing in Full Stack Development. With a strong foundation in both front-end and back-end technologies, I have developed efficient problem-solving skills and the ability to tackle real-world challenges. My experience includes internships, webinars, workshops, and various projects that have honed my technical expertise and practical knowledge..

SKILLS

- C++
 - Java
 - React Js
 - Express Js
 - MySQL
 - Spring Boot
 - Rest API
 - Mongo DB
 - AWS
 - HTML
 - CSS
 - JavaScript
-

WORK EXPERIENCE

MERN Stack developer - Intern at Yale Infotech,Coimbatore

April 2024

- Gain hands-on experience with the MERN stack (MongoDB, Express.js, React.js, Node.js), which are widely used technologies in modern web development.
 - Experience working in a professional setting at Yale Infotech, understanding industry best practices, and learning how teams collaborate on real-world projects.
 - Develop soft skills such as communication, teamwork, and time management through collaborative projects and interactions with colleagues.
-
