SUMMARY

Dedicated and enthusiastic 3rd-year Information Technology student at Sri Krishna College of Engineering and Technology, specializing in Software Engineering and Full Stack Development. Proficient in the MERN stack with a strong foundation in Object-Oriented Programming (OOP), Data Structures, and Algorithms. Demonstrates solid problem-solving skills, quickly learns new engineering methods, and is committed to delivering high-quality software solutions while collaborating in team environments.

SKILLS

Programming Languages: C++, Java, JavaScript

Web Development: React.js, Express.js, Node.js, HTML, CSS

Databases: MongoDB, MySQL

Frameworks & Tools: Spring Boot, REST APIs, AWS

Core Concepts: Software Engineering Principles, Object-Oriented Programming (OOP), Data Structures, Algorithms, Software Solutions, Time Management

WORK EXPERIENCE

April 2024

MERN Stack developer Intern - Yale Infotech,Coimbatore

- Collaborated on real-world projects using the MERN stack, adhering to industry standards, and enhancing technical skills in a team-based environment
- Cultivated essential soft skills in a professional environment and engaged in daily stand-ups that streamlined interactions among teams and fostered stronger working relationships.

EDUCATION

Bachelor of Technology in Information Technology

Oct 2022 - May 2026

- Sri Krishna College of Engineering and Technology

Higher Education in Computer Science

Aug 2021 - Apr 2022

- Cheran Matric. Hr. Sec. School

PROJECTS

- **Realty Management:** Built a property listing and selling platform using the MERN stack, featuring a machine learning-based price prediction model and an integrated chatbot for enhanced user assistance.
- **Ai-Mock Interview Webapp:** Developed an AI-based interview app with real-time emotion detection (using face-api.js) and speech-to-text answer recognition to improve user feedback and preparation.

ADDITIONAL INFORMATION

- **Workshop:** Attended sessions in Augmented and Virtual Reality, Quantum Computing
- **Languages:** English, Tamil
- **Certifications:** Cisco - Cyber Security Essentials ,ICT - MongoDB, Infosys SpringBoard - React Js
- **Quick Links:** [LinkedIn](#) , [GitHub](#) , [Portfolio](#) .
